For more than a century, the Farmers and Consumers Market Bulletin has served as a resource for Georgians seeking to buy, sell or trade everything from tractor implements and combines to bees and blueberries. With the addition of targeted news coverage of issues important to Georgia's \$74 billion agriculture industry, the Market Bulletin continues to serve as the go-to source for Georgians from all walks of life with ties to or an interest in farming and agribusiness.

The Market Bulletin is published faithfully every two weeks by the Georgia Department of Agriculture. The paper is mailed and offered electronically through agr.georgia.gov to approximately 40,000 paid subscribers and 35,000 GATE members. A portion of our subscriber base resides outside of Georgia — primarily in the border states of Florida, Alabama, Tennessee and the Carolinas.

Thousands of complimentary copies of the paper are distributed annually to a diverse audience by our Georgia Grown Marketing Team at promotional events such as the Southeast Regional Fruit & Vegetable Conference, the Georgia National Fair in Perry and the Sunbelt Agricultural Expo in Moultrie.

Subscribers submit an average of 1,000 classified ads per issue, and we partner with the Mercer University School of Medicine, the Georgia Forestry Commission, the University of Georgia College of Agricultural and Environmental Sciences and others to provide targeted, relevant editorial content for growers and consumers throughout Georgia.
