HEMP WHOLESALER LICENSE APPLICATION GUIDELINES

- The Georgia Department of Agriculture (GDA) administers the Georgia Hemp Farming Act as authorized by O.C.G.A § 2-23-1 et seq.
- This Wholesale Consumable Hemp License Application is designed to provide sufficient instructions for completion by any individual who would be prepared to participate in the Georgia Hemp Program. The application includes a broad understanding of the program, but applicants should read the Georgia Hemp Farming Act (O.C.G.A. § 2-23-1 et seq.) and the Hemp Wholesaler Rules.
- Please make sure to fully review all application materials and Hemp Wholesaler Rules prior to contacting hemp program staff with questions. GDA is not in a position to offer direct consultation on completing a Wholesale Consumable Hemp License application or to educate individuals about the sale or distribution of hemp products.
- Anyone who intends to sell consumable hemp products in bulk in the State of Georgia must successfully complete the full application process with the GDA and be issued a Wholesale Consumable Hemp License prior to selling any consumable hemp products in bulk.
- A Wholesale Consumable Hemp License does not allow the Licensee to process or grow hemp nor sell at retail. Appropriate licenses must be obtained separately for these activities.
- Wholesaler License renewal fees must be submitted by December 1 of the current year. Licenses will expire on December 31 of the current year if renewal fees are not submitted in a timely manner.
- The Annual Wholesale Consumable Hemp License fee is $500.00 annually.
- Any person who materially falsifies any information contained in an application for a Wholesale Consumable Hemp License will be ineligible to receive a Wholesale Consumable Hemp License or otherwise participate in the Georgia Hemp Program.
- All costs associated with the wholesale of consumable hemp products are the responsibility of the Licensee.
- A Wholesale Consumable Hemp License only gives you the ability to sell prepackaged consumable hemp products in bulk. As a reminder, "consumable hemp product" means a hemp product intended to be ingested, absorbed, or inhaled by humans or animals with a total THC concentration of not more than 0.3 percent.
- Failure to comply with the Georgia Hemp Farming Act or its Rules may result in enforcement action, including, but not limited to, corrective action plans, suspension from the program, referral to the Attorney General's office, and the destruction of hemp materials.

☐ Check here to indicate you have read and agree to the terms of the licensing agreement

- I have read and understand the Wholesale Consumable Hemp License Terms and Conditions of the Rules of the Georgia Department of Agriculture concerning Hemp Growers and Processors (Chapter 40-32-5-.02), and I agree to abide by all of these terms and conditions.

☐ Check here to indicate you have read and agree to the terms of the licensing agreement

- I hereby consent and agree to allow representatives of the Department, the Georgia Bureau of Investigation, and other affected state and local law enforcement agencies to enter all premises where hemp products are being stored or handled for the purpose of conducting physical inspections and ensuring compliance with the requirements of the Georgia Hemp Farming Act and its Rules.

☐ Check here to indicate you have read and agree to the terms of the licensing agreement

- I understand that by providing inaccurate or false information, my application may be rejected or the Wholesale Consumable Hemp License may be revoked.

Georgia Retail Consumable Hemp Establishment License applicants must provide information on the retail site property. This license is for a single location.

Retail Site Property: Retail consumable hemp establishment licensees without a physical location within the state and that only sell to Georgia customers online, must provide the location (street address) in the licensee's home jurisdiction from which they ship consumable hemp products to Georgia customers.

I attest that I have read the preceding information and that I agree to each of the following:

☑ This license is for a single location. A separate license must be obtained for each additional location where retail activities will occur.

☑ Hemp products must not be sold, handled, or stored in any location that is not listed in the Hemp Retailer License Application.

☑ I attest that I have read and agree to abide by the restrictions on sale of consumable hemp products in O.C.G.A. §§ 16-12-240 through 16-12-243, including applicable signage requirements and the prohibition of sale or furnishing of consumable hemp products to persons under 21 years of age.

☑ I attest that I own the property or have legal permission to store and retail consumable hemp products on the property listed on my application, including a deed to the property or a lease or rental agreement for its use, in the same legal name as my license. I understand that I may be subject to local zoning or other ordinances, and storing and retailing consumable hemp products at the property listed on my application will not violate either. I understand that O.C.G.A. § 2-23-9.3 limits where I may operate a consumable hemp retail establishment, if that establishment was not in operation prior to July 1, 2024, and the property listed on my application complies with this requirement.

☑ I attest that the information submitted above regarding property designated to sell hemp products is true and correct.
